MyKidsDrawing is a Passionate Company on a Journey to

Nurture Creative Leaders for Tomorrow's World.

Our Vision Nurture Creative Leaders for Tomorrow's World and we want every kid growing up from nursery to high school to grow creatively on our platform. We want to help grow the artist community in India right from young age. And We want to provide the whole eco-system to nurture and grow their creative artistic skills.

Indian Artist

Indian artists too have created some magnificent works of art that have taken the world by storm.

ARTWORK 3

Jamini Roy (11 April 1887 – 24 April 1972) was an Indian painter. He was honoured with the State award of Padma Bhushan in 1955. He was one of the most famous pupils of Abanindranath Tagore, whose artistic originality and contribution to the emer-

gence of art in India remains questionable.

Roy began his career as a commissioned portrait painter. Somewhat abruptly in the early 1920s, he gave up commissioned portrait painting in an effort to discover his own.

Roy changed style from his academic Western training and featured a new style based on Bengali folk traditions.

We conduct a monthly theme competition every month. In this we make four age groups and choose a relevant theme.

Then students get few days to submit their drawings. Once we receive the drawings, we conduct voting process to choose the winner of the monthly theme competition.
