Our Vision Nurture Creative Leaders for Tomorrow's World and we want every kid growing up from nursery to high school to grow creatively on our platform. We want to help grow the artist community in India right from young age. And We want to provide the whole eco-system to nurture and grow their creative artistic skills.

Indian Artist

Indian artists too have created some magnificent works of art that have taken the world by storm.

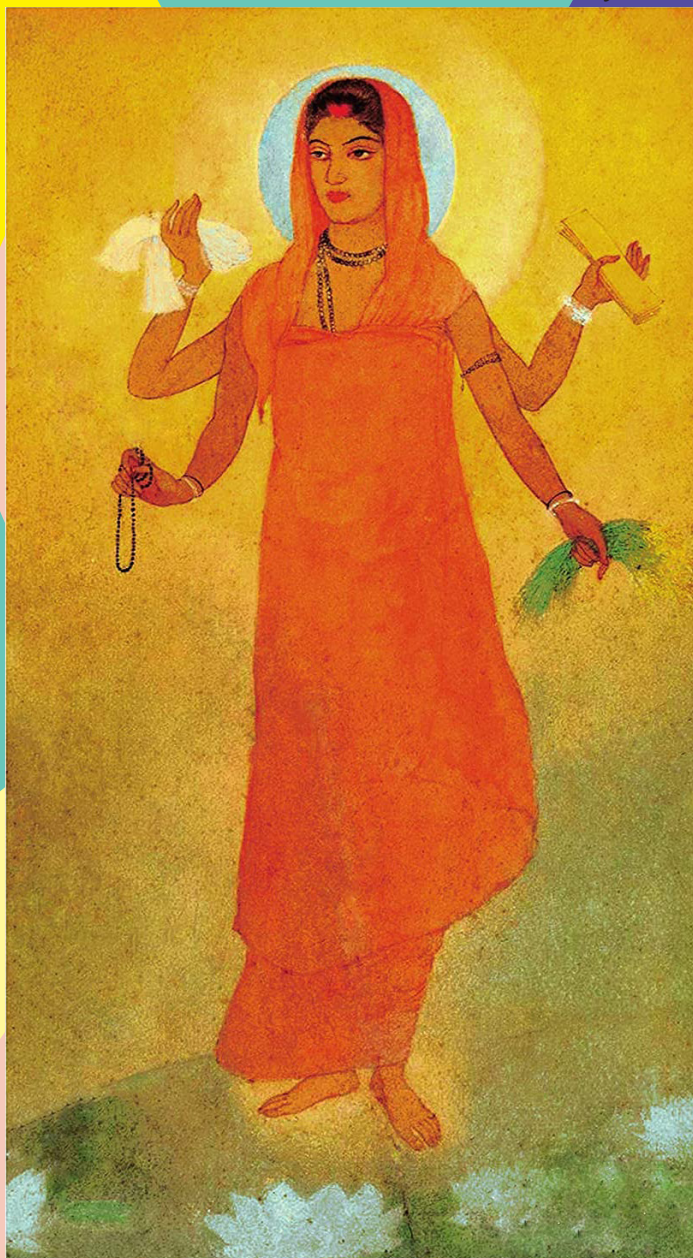

ARTWORK 1

Abanindranath Tagore (7 August 1871 – 5 December 1951) was the principal artist and creator of the “Indian Society of Oriental Art”, which led to the development of modern Indian painting.

He was also a noted writer, particularly for children.

One of the most iconic paintings of Abanindranath Tagore (the founder of the Bengal School of Art), *Bharat Mata* depicts a saffron clad woman, dressed like a *sadhvi*, holding a book, sheaves of paddy, a piece of white cloth and a garland in her four hands. Immensely important because of its emotional and historical value, the painting became immensely popular among the nationalists in those days, especially in the wake of Lord Curzon’s plan to bifurcate Bengal.
