Indian Artist

Indian artists too have created some magnificent works of art that have taken the world by storm.

ARTWORK 8

Kalal Laxma Goud (born 21 August 1940) is an Indian painter, printmaker and draughtsman. He works in variety of mediums including etching, gouache, pastel, sculpture, and glass painting. He is best known for his early drawings that depict eroticism in a rural context,

and also for the originality and quality of his etchings and aquatints. Goud displays versatility over a range of mediums, from printmaking, drawing, watercolour, gouache and pastels to glass painting and sculpture in bronze and terracotta. Over the many years of his artistic career, he is known to have moved from one medium to another with élan. Fellow artist T. Vaikuntam, in one of his interviews, reminisces that it was Laxma Goud who introduced him to the art of sketching and made him aware of the possibilities of this medium.

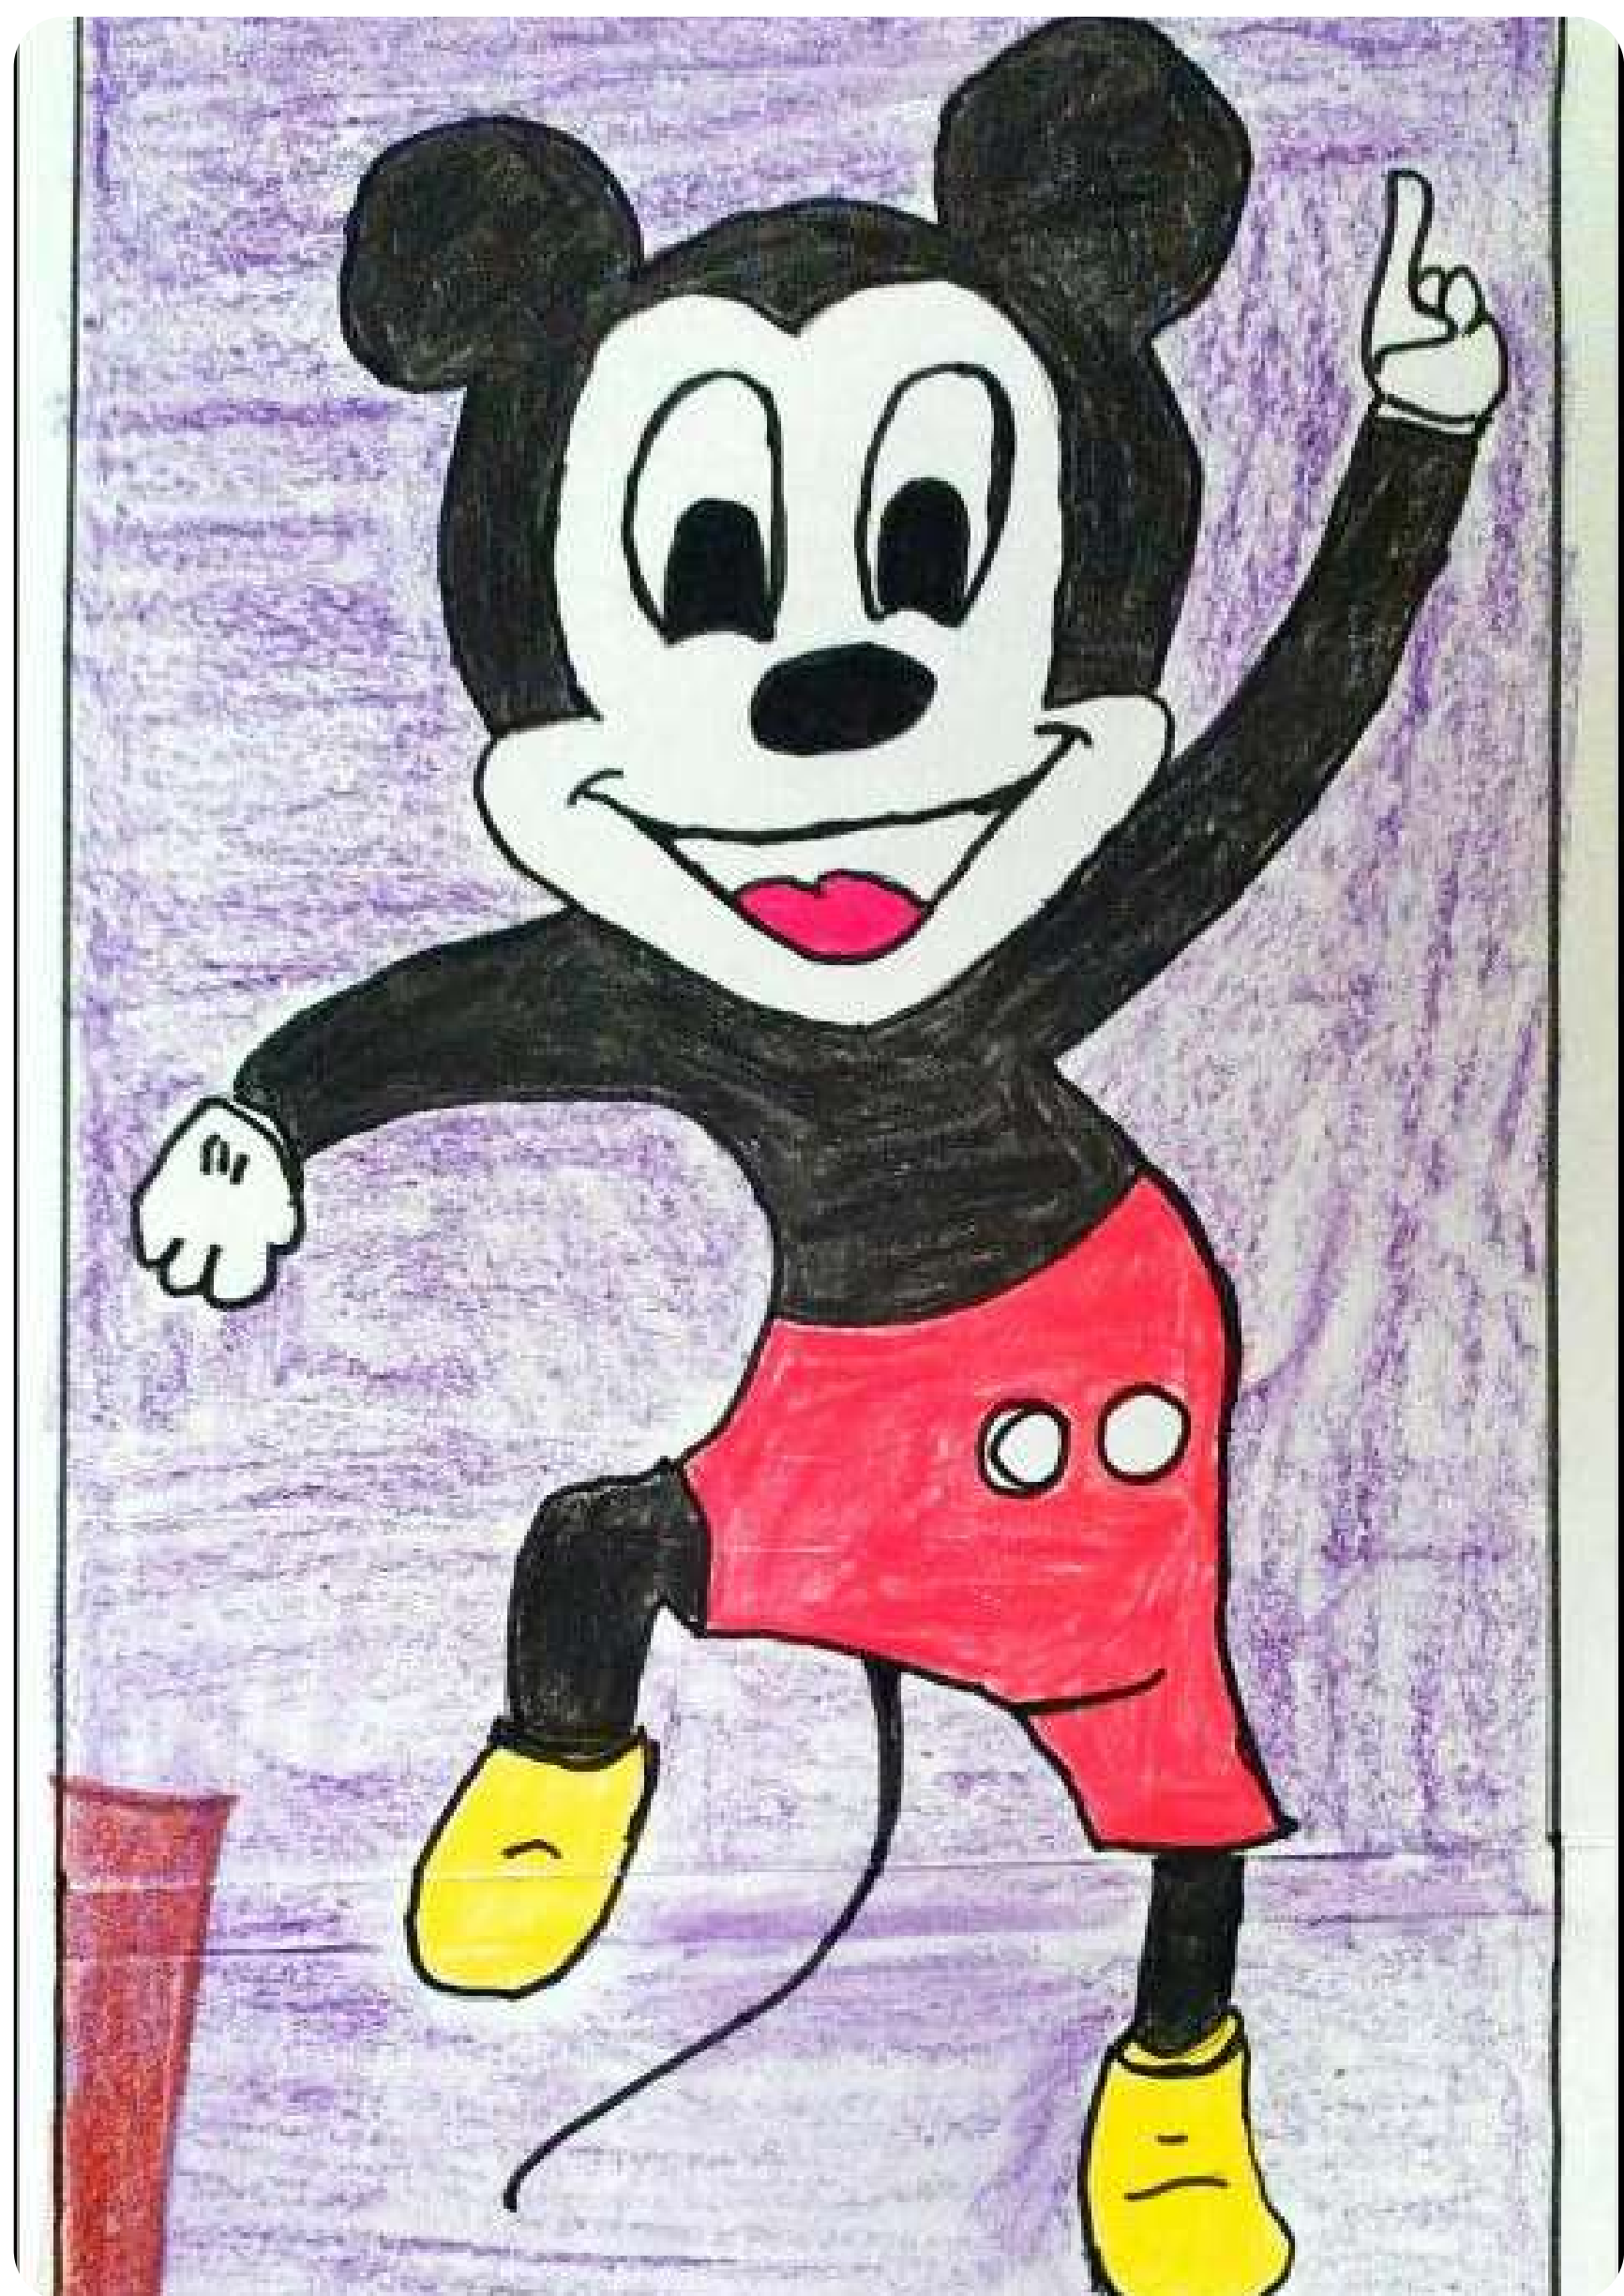

THEME WINNERS

We conduct a monthly theme competition every month. In this we make four age groups and choose a relevant theme. Then students get few days to submit their drawings. Once we receive the drawings, we conduct voting process to choose the winner of the monthly theme competition.
