MyKidsDrawing is a Passionate Company on a Journey
to
Nurture Creative Leaders for Tomorrow's World.

Our Vision Nurture Creative Leaders for Tomorrow's World and we want every kid growing up from nursery to high school to grow creatively on our platform. We want to help grow the artist community in India right from young age. And We want to provide the whole eco-system to nurture and grow their creative artistic skills.

Indian Artist

Indian artists too have created some magnificent works of art that have taken the world by storm.

ARTWORK 6

Paresh Maity was born in 1965, Tamluk – a small town in West Bengal – of great antiquity with a remarkable heritage of terracotta art. While in school he made clay images of gods and goddesses and sold them to

earn money for his education. He started painting watercolours of river scenes while still at school and then then oil painting thereafter. He mastered the technique of oil painting at Government College of Art, Kolkata. His single minded determination to acquire formal training paid off when he came to Delhi to join the Delhi College of Art.

Paresh's adventurous, experimental personality has prodded him to explore in all mediums – drawings, watercolours, oils, mixed media, installation and sculptures, photography and filmmaking.

THEME WINNERS

We conduct a monthly theme competition every month. In this we make four age groups and choose a relevant theme. Then students get few days to submit their drawings. Once we receive the drawings, we conduct voting process to choose the winner of the monthly theme competition.
