Indian Artist

Indian artists too have created some magnificent works of art that have taken the world by storm.

ARTWORK 4

Thota Vaikuntam (born 1942) is an Indian painter. His paintings capture simple lifestyle of villagers like the paddy fields, toddy pots on shoulders of men, the household chores, temple rituals etc.

Thota Vaikuntam Paintings bring a calmness of spirit and tranquillity to all those who see them. He avoids an obviously disturbing form but instead has repeated the pictorial motifs extensively. At the emotional level, his aim appears to be, to create, a harmony between an imaginative concept and his technical expertise. His paintings deal with the theme of Love, which is always indirect and veiled. He does this successfully by using symbols like the parrot and mirror.

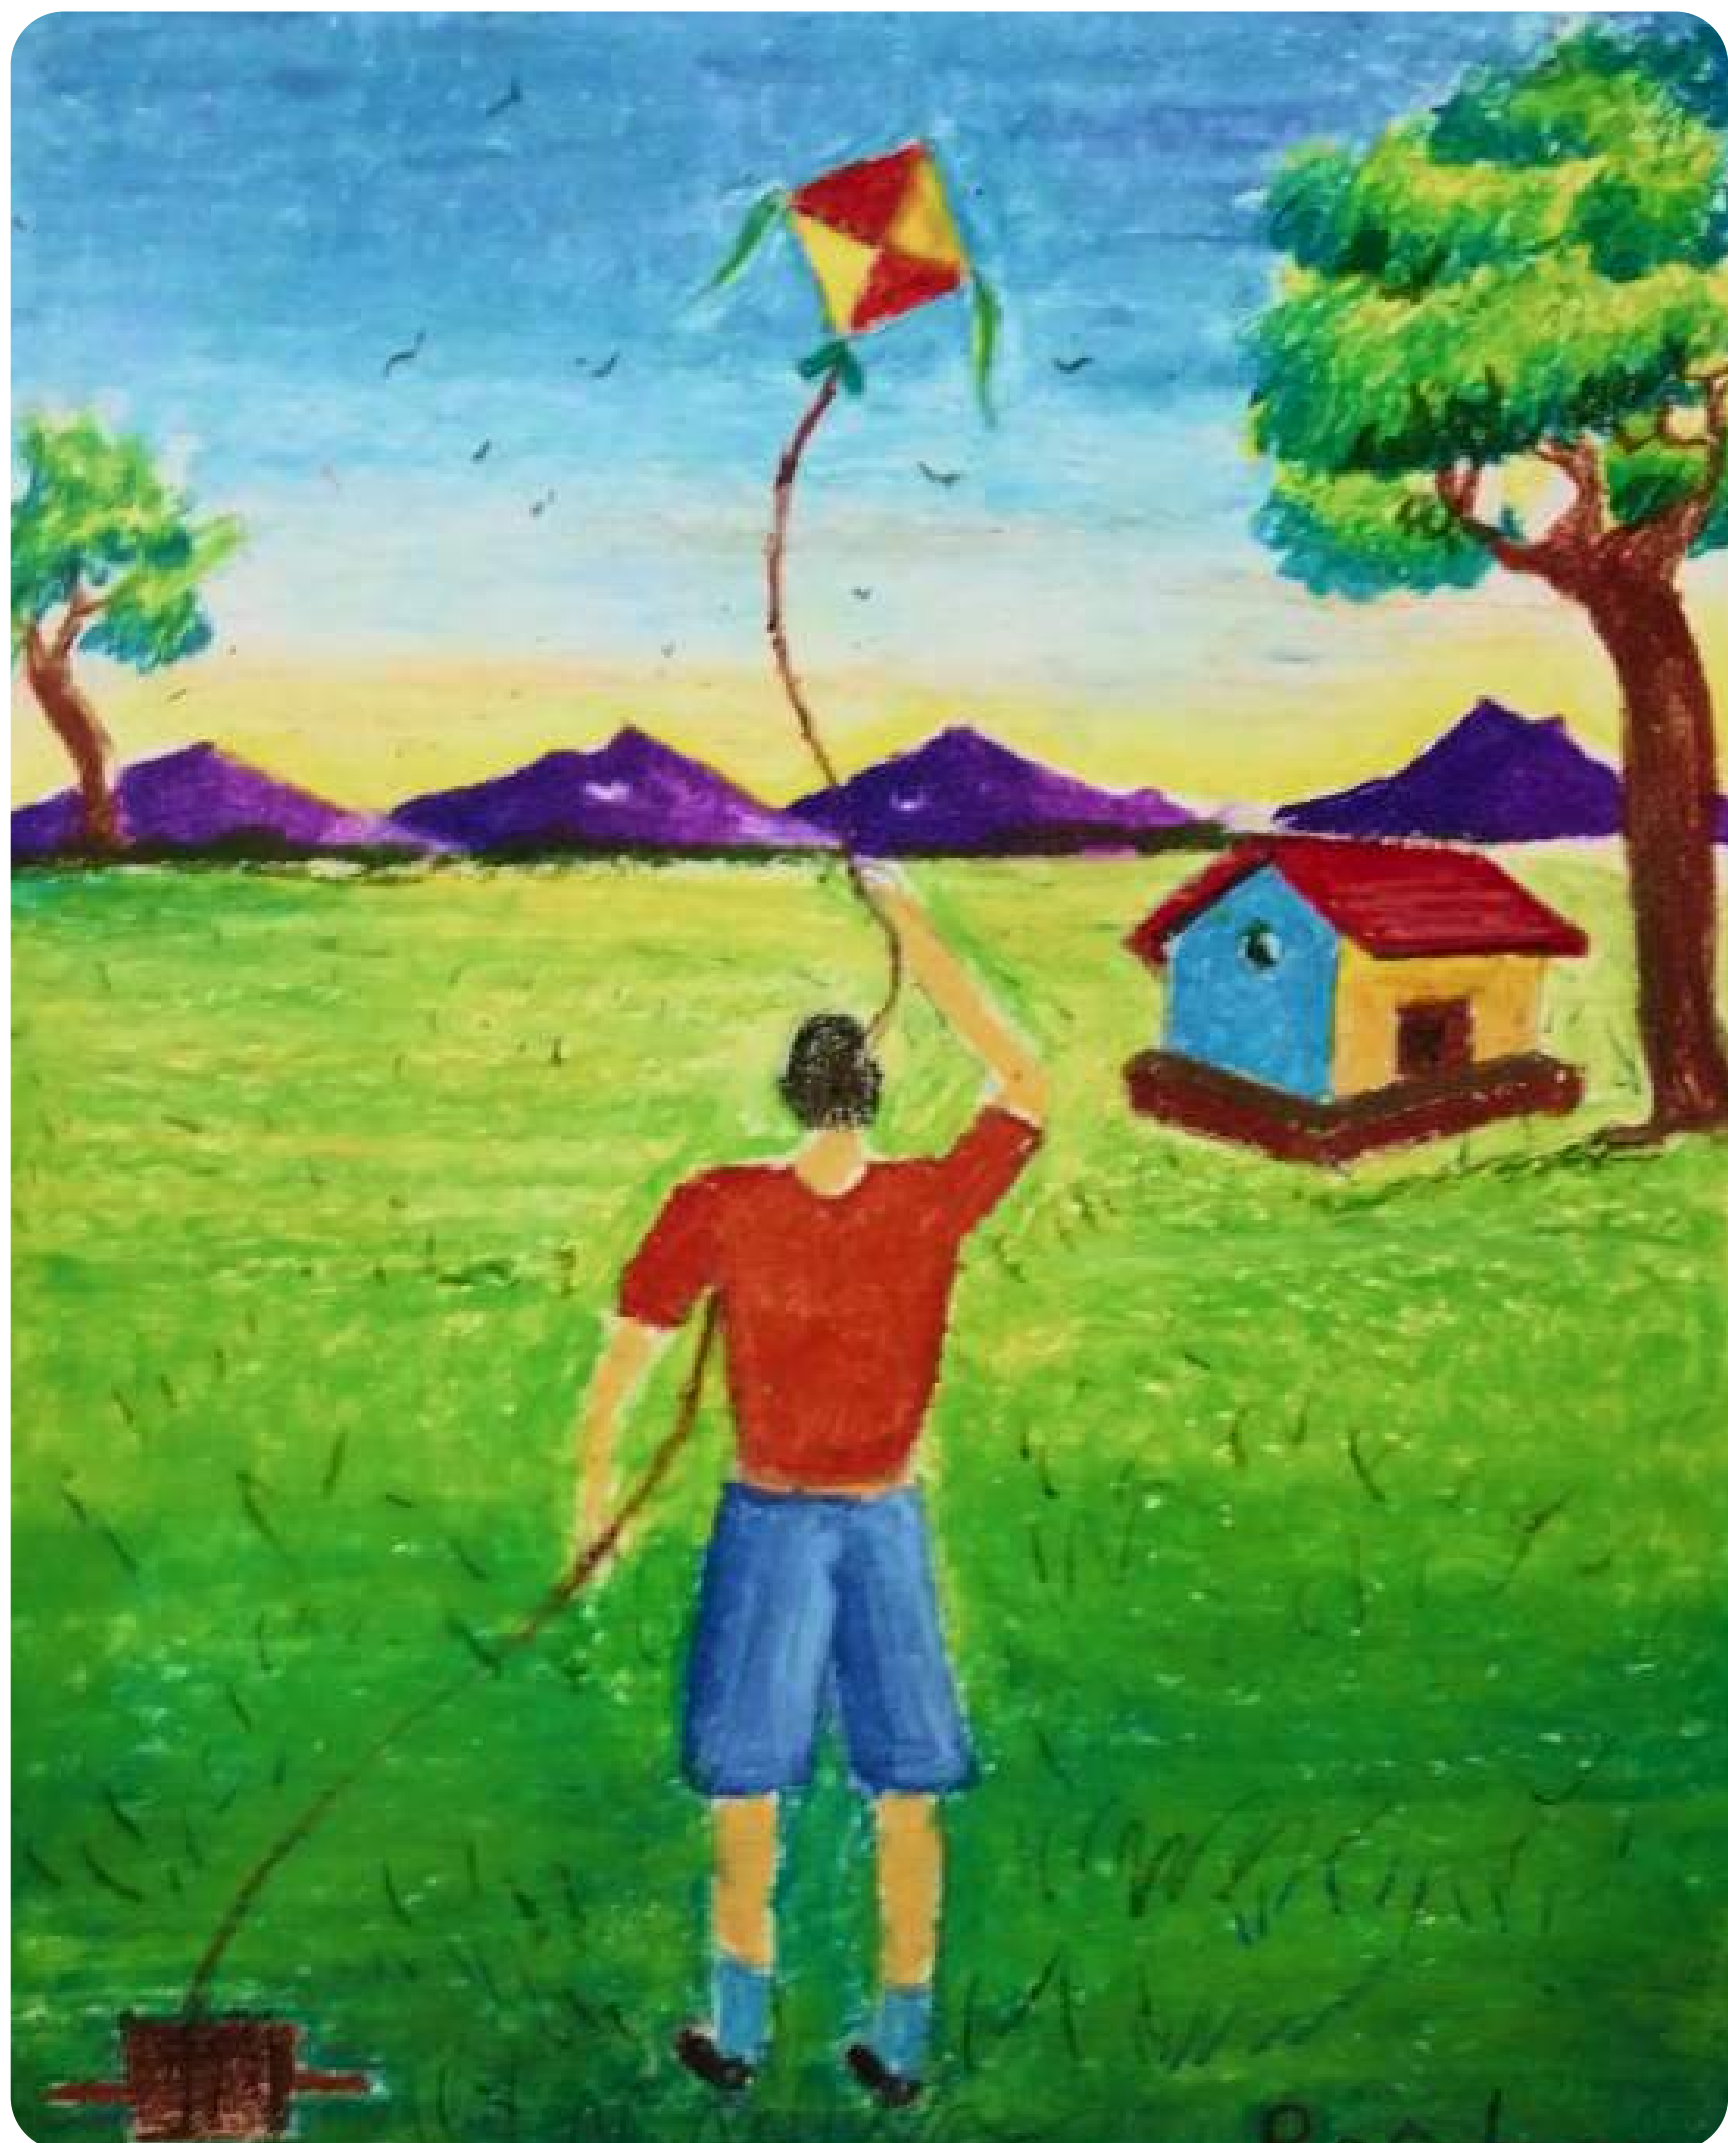

THEME WINNERS

We conduct a monthly theme competition every month. In this we make four age groups and choose a relevant theme. Then students get few days to submit their drawings. Once we receive the drawings, we conduct voting process to choose the winner of the monthly theme competition.
